

Illinois Policyholder Announcement: Suspension of Cancellations, Non-renewal and Premium Payments

In cooperation with the Illinois Department of Insurance and in response to the Governor Rauner's recent state disaster declaration for Cook, Kane, Lake and McHenry counties, Allianz Global Corporate & Specialty has responded to the Department's request to implement guidelines set forth to govern treatment of all consumers affected by this disaster. We will comply with the following directives:

- **Moratorium on cancellations and nonrenewals**
Insurers shall withdraw any cancellation or nonrenewal notice issued on or after **July 12, 2017**, on any in-force policy issued to an affected policyholder and/or property. In addition, insurers shall not issue any new cancellation or nonrenewal notices to affected policyholders and/or property until **September 30, 2017**, or a later time if deemed reasonable given an individual consumer's circumstance.
- **Other insurance-related time-period extensions**
Insurers are directed to grant to affected policyholders an extension of any and all policy provisions or other requirements that impose a time limit for an insured or claimant to perform any act, including the submission of a claim or proof of loss, reporting of information, submission of bills, or payment of funds. Such extension shall be for a minimum of **60 days** from the last date allowed or required under the terms of the contract or allowed or required by the insurer, or longer if deemed reasonable given an individual consumer's circumstance.
- **Time-period extension for repairs**
In the event repairs on affected property cannot be completed within the time period required under any policy, or within the 90-day time period for repairs prior to termination due to condition of the property [215 ILCS 5/143.27], insurers shall provide consumers with an extension of not less than **60 days** to make such repairs.
- **Cancellation or nonrenewal respecting affected property**
Although otherwise allowed under Illinois law, insurers are directed to refrain from canceling or nonrenewing insurance policies respecting affected property due to "increase in the risk originally accepted" [215 ILCS 5/143.21 and 143.21.1] or due to the geographic location of the risk [215 ILCS 5/155.22].
- **Other exceptions to policy or contract requirements or rating or underwriting rules**
Insurers shall consider exceptions to policy or contract requirements, or to other rating or underwriting rules not otherwise listed herein, when such contractual requirements or rating or underwriting rules are not met as a result of this disaster.
