WHY BROKERS AND THEIR CLIENTS CHOOSE ALLIANZ FOR CYBER & PROFESSIONAL INDEMNITY

FINANCIAL STRENGTH

With a consistently strong solvency ratio and prudent investment strategy, Allianz has one of the strongest financial ratings of the leading global property and casualty insurers and is solidly positioned to address the long-term cyber and professional indemnity exposures your clients face.

THE RIGHT RESOURCES

Allianz Cyber coverage comes with the security of access to an expert panel of vendors providing a full suite of pre- and post-breach services, with the flexibility to vet and use non-panel vendors, if needed.

INFORMATION AT YOUR FINGERTIPS

All North American Cyber policyholders have access to the Allianz eRiskHub®, powered by NetDiligence®, which provides useful data on breach trends, sample privacy policies, security awareness trainings, and other tools to help improve a client's security posture.

IN-DEPTH EXPERTISE

This fast-moving market needs a responsive and up-to-date approach based on an in-depth understanding of emerging risks and best-practices: that is why our underwriting and claims teams have a wide-range of specialist expertise.

FLEXIBLE UNDERWRITING

We pride ourselves on our flexibility, adjusting our underwriting to match the

needs of your clients, with coverage limits starting from as little as \$1 million, and extending up to major capacity for the largest corporations.

LOCAL COMPLIANCE, GLOBAL TRANSPARENCY

Allianz's global network provides access to technical underwriters and service professionals who respond to cross-border exposures of your clients while taking into account the regulatory and fiscal frameworks in which they operate.

SUPERIOR NETWORK

Your clients have access to global professionals who know the local market, culture, language and regulations. Allianz's global service network comprises 210+ countries and territories.
