

ALLIANZ PROTECT FOR INVESTMENT MANAGERS

FACT SHEET

Asset managers face a broad range of challenges, from a difficult and volatile investment environment to increased regulatory oversight, scrutiny and litigation. More than ever, these challenges require investment professionals to implement comprehensive and effective risk management programs, and liability insurance can play a key role.

The experienced underwriting team at Allianz understands the risks facing asset managers and has developed a comprehensive management and professional liability insurance policy which provides market-leading coverage to address the exposures facing investment advisers, mutual funds and alternative investment funds.
